Within two years after September 28, 1977, the commission shall adopt rules and regulations including the following:
 - (a) Rules and regulations establishing criteria and a listing for the determination of whether any waste or combination of wastes is hazardous for the purposes of sections 260.350 to 260.430, taking into account toxicity, persistence and degradability in nature, potential for accumulation in tissue, and other related factors such as flammability, corrosiveness and other hazardous characteristics;

- plan to provide for the safe and effective management of hazardous wastes within this state. This plan shall be adopted within two years after September 28, 1977, and revised at least once every five years thereafter;
 - (3) Hold hearings, issue notices of hearings and subpoenas requiring the attendance of witnesses and the production of evidence, administer oaths and take testimony as the commission deems necessary to accomplish the purposes of sections 260.350 to 260.430 or as required by any federal hazardous waste management act. Unless otherwise specified in sections 260.350 to 260.430, any of these powers may be exercised on behalf of the commission by any members thereof or a hearing officer designated by it;
- 83 (4) Grant individual variances in accordance with the provisions of sections 260.350 to 84 260.430;
- 85 (5) Make such orders as are necessary to implement, enforce and effectuate the powers, duties and purposes of sections 260.350 to 260.430.

The committee shall prepare and submit a report including its recommendation for changes to the governor, the house of representatives, and the senate no later than December 31, 2004.]
 - 287.717. 1. Beginning January 1, 2004, the administrative surcharge established pursuant to section 287.716 shall be collected from deductible plan policyholders by each insurer at the same time and in the same manner that the premium is collected, but no insurer or its agent shall be entitled to any portion of the administrative surcharge as a fee or commission for its collection. The administrative surcharge is not subject to any taxes, licenses, or fees.
 - 2. All administrative surcharges imposed pursuant to section 287.716 shall be paid to the Missouri director of revenue and shall be deposited to the workers' compensation administrative fund.
- 9 3. [The amount of the administrative surcharge due for the current calendar year shall 0 be paid in four approximately equal estimated quarterly installments, and a fifth reconciling

- installment. The first four installments shall be based upon the amount of administrative surcharge payable in the calendar year for which the surcharge is imposed. The quarterly installments shall be made on the first day of March, the first day of June, the first day of September, and the first day of December.  - 4. If after the end of any calendar year, the amount of the actual administrative surcharge due is less than the total amount of the installments actually paid, the amount by which the amount paid exceeds the amount due shall only be credited against the administrative surcharge for the following year and deducted from the quarterly installment due on June first and any other payments required by this section until the credit is exhausted. In the event no such payments are due and upon application of the insurer, the director of revenue may refund the amount of credit if no other obligation is owed to the state.
 - 5.] Such surcharge amounts shall be paid quarterly by insurers. Insurers shall pay the amounts not later than the thirtieth day of the month following the end of the quarter in which the amount is received from policyholders. The administrative surcharge amounts shall be deemed paid to the state if they are postmarked by the United States post office or received by the thirtieth day of the month following the end of the quarter in which the amount is owed. If the director of the division of workers' compensation fails to calculate the surcharge by the thirty-first day of October of any year for the following year, any increase in the surcharge ultimately set by the director shall not be effective for any calendar quarter beginning less than sixty days from the date the director makes such determination.
 - **4.** If a deductible plan policyholder fails to make payment of the administrative surcharge, or an insurer fails to make timely transfer to the director of revenue of administrative surcharges actually collected from deductible plan policyholders, as required by this section, a late charge of one-half of one percent of the administrative surcharge unpaid, or transferred, shall be assessed against the liable deductible plan policyholder or insurer. Late charges assessed pursuant to this subsection shall be collected in a civil action by a summary proceeding brought by the director of the division of workers' compensation.
 - [6.] 5. If the administrative surcharges imposed by this section are not paid when due, the deductible plan policyholder or insurer shall be required to pay, as part of such administrative surcharge, interest thereon at the rate of one and one-half percent per month for each month or fraction thereof delinquent. In the event the state prevails in any dispute concerning an assessment of the administrative surcharge, which has not been paid by the policyholder or

insurer, interest shall be paid upon the amount found due to the state at the rate of one and one-half percent per month for each month or fraction thereof delinquent.

- 6. On or before the first day of March of each year such insurer shall submit a report, verified by the affidavit of its president and secretary or other chief officers or agents, to the director of the division of workers' compensation, stating the amount of all such total premiums that would have been paid for the deductible policies during the prior calendar year.
- 7. The division may authorize electronic transfer of all forms, reports, payments, and other information deemed appropriate by the division as required pursuant to this section and sections 287.690, 287.710, 287.715, and 287.716. Information filed pursuant to this section and sections 287.690, 287.710, 287.715, and 287.716 and under any rules promulgated by the division pursuant to this section and sections 287.690, 287.710, 287.715, and 287.716 shall be confidential and not subject to chapter 610, RSMo.
- 8. This section shall not apply to any employer or group of employers authorized by the division to self-insure their liability pursuant to this chapter.
- 306.114. 1. No person convicted of or pleading guilty to a violation of section 306.111 or 306.112 shall be granted a suspended imposition of sentence, unless such person is placed on probation for a minimum of two years and a record of the conviction or plea of guilty is entered into the records of the Missouri uniform law enforcement system maintained by the Missouri state highway patrol.
- 2. Chemical tests of a person's blood, breath, urine, or saliva to be considered valid under the provisions of sections 306.111 to 306.119 shall be performed according to methods and devices approved by the [department of health and senior services] highways and transportation commission by licensed medical personnel or by a person possessing a valid permit issued by the [department of health and senior services] highways and transportation commission for this purpose. In addition, any state, county, or municipal law enforcement officer who is certified pursuant to chapter 590, RSMo, may, prior to arrest, administer a portable chemical test to any person suspected of operating any vessel in violation of section 306.111 or 306.112. A portable chemical test shall be admissible as evidence of probable cause to arrest and as exculpatory evidence, but shall not be admissible as evidence of blood alcohol content. The provisions of section 306.116 shall not apply to a test administered prior to arrest pursuant to this section.
- 3. The [department of health and senior services] **highways and transportation commission** shall approve satisfactory techniques, devices, equipment, or methods to conduct tests required by sections 306.111 to 306.119, and shall establish standards as to the qualifications and competence of individuals to conduct analyses and to issue permits which

shall be subject to termination, suspension or revocation by the [department of health and senior services] highways and transportation commission.

- 4. A licensed physician, registered nurse, or trained medical technician, acting at the request and direction of a law enforcement officer, shall withdraw blood for the purpose of determining the alcohol content of the blood, unless the medical personnel, in the exercise of good faith medical judgment, believes such procedure would endanger the life or health of the person in custody. Blood may be withdrawn only by such medical personnel, but such restriction shall not apply to the taking of a breath test or a urine or saliva specimen. In withdrawing blood for the purpose of determining the alcohol content in the blood, only a previously unused and sterile needle and sterile vessel shall be used and the withdrawal shall otherwise be in strict accord with accepted medical practices. A nonalcoholic antiseptic shall be used for cleansing the skin prior to a venapuncture. Upon the request of the person who is tested, full information concerning the test taken at the direction of the law enforcement officer shall be made available to such person.
- 5. Evidence of alcohol in a person's blood shall be given the following effect:

- (2) If there was in excess of five-hundredths of one percent but less than ten-hundredths of one percent by weight of alcohol in such person's blood, the fact shall not give rise to any

presumption that the person was or was not intoxicated, but the fact may be considered with other competent evidence in determining whether the person was intoxicated;

- (3) If there was ten-hundredths of one percent or more by weight of alcohol in the person's blood, this shall be prima facie evidence that the person was intoxicated at the time the specimen was taken.
- 2. Percent by weight of alcohol in the blood shall be based upon grams of alcohol per one hundred milliliters of blood.
 - 3. A chemical analysis of a person's breath, blood, urine, or saliva, in order to give rise to the presumption or to have the effect provided for in subsection 1 of this section, shall have been performed as provided in sections 306.111 to 306.119 and in accordance with methods and standards approved by the [department of health and senior services] highways and transportation commission.

- 320.094. 1. The state treasurer shall annually transfer an amount prescribed in subsection 2 of this section out of the state revenues derived from premium taxes levied on insurance companies pursuant to sections 148.310 to 148.461, RSMo, which are deposited by the director of revenue in the general revenue fund pursuant to section 148.330, RSMo, in a fund hereby created in the state treasury, to be known as the "Fire Education Fund". At such time, the board may recommend that the general assembly adjust or eliminate the funding mechanism described in this section. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the Missouri fire education trust fund at the end of any biennium shall not be transferred to the credit of the general revenue fund.
- 4. If there was eight-hundredths of one percent or more by weight of alcohol in the person's blood, this shall be prima facie evidence that the person was intoxicated at the time the specimen was taken.

- 2. Percent by weight of alcohol in the blood shall be based upon grams of alcohol per one hundred milliliters of blood or grams of alcohol per two hundred ten liters of breath.
- 3. The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was intoxicated.
- 4. - 595.015. 1. The [division of workers' compensation] **department of public safety** shall, pursuant to the provisions of sections 595.010 to 595.075, have jurisdiction to determine and award compensation to, or on behalf of, victims of crimes. The [division of workers' compensation] **department of public safety** may pay directly to the provider of the services compensation for medical or funeral expenses, or expenses for other services as described in section 595.030, incurred by the claimant. The [division] **department** is not required to provide compensation in any case, nor is it required to award the full amount claimed. The [division] **department** shall make its award of compensation based upon independent verification obtained during its investigation.

 - (8) Releases authorizing the surrender to the [division] **department** of reports, documents and other information relating to the matters specified under this section; and

 - 3. In addition to the application, the [division] **department** may require that the claimant submit materials substantiating the facts stated in the application.
 - 4. If the [division] **department** finds that an application does not contain the required information or that the facts stated therein have not been substantiated, it shall notify the claimant in writing of the specific additional items of information or materials required and that the claimant has thirty days from the date of mailing in which to furnish those items to the [division] **department**. Unless a claimant requests and is granted an extension of time by the [division] **department**, the [division] **department** shall reject with prejudice the claim of the claimant for failure to file the additional information or materials within the specified time.
 - 5. The claimant may file an amended application or additional substantiating materials to correct inadvertent errors or omissions at any time before the [division] **department** has completed its consideration of the original application.
 - 6. The claimant, victim or dependent shall cooperate with law enforcement officials in the apprehension and prosecution of the offender in order to be eligible, or the [division] **department** has found that the failure to cooperate was for good cause.
 - 7. Any state or local agency, including a prosecuting attorney or law enforcement agency, shall make available without cost to the fund, all reports, files and other appropriate information which the [division] **department** requests in order to make a determination that a claimant is eligible for an award pursuant to sections 595.010 to 595.075.
- 595.020. 1. Except as hereinafter provided, the following persons shall be eligible for compensation pursuant to sections 595.010 to 595.075:

- 4 (2) In the case of a sexual assault victim:

- 11 (c) A survivor of the victim requiring counseling as a direct result of the death of the 12 victim.
- 2. An offender or an accomplice of an offender shall in no case be eligible to receive compensation with respect to a crime committed by the offender. No victim or dependent shall be denied compensation solely because he is a relative of the offender or was living with the 15 offender as a family or household member at the time of the injury or death. However, the [division] department may award compensation to a victim or dependent who is a relative, family or household member of the offender only if the [division] department can reasonably determine the offender will receive no substantial economic benefit or unjust enrichment from the compensation.
 - 3. No compensation of any kind may be made to a victim or intervenor injured while confined in any federal, state, county, or municipal jail, prison or other correctional facility, including house arrest.
 - 4. No compensation of any kind may be made to a victim who has been finally adjudicated and found guilty, in a criminal prosecution under the laws of this state, of two felonies within the past ten years, of which one or both involves illegal drugs or violence. The [division] department may waive this restriction if it determines that the interest of justice would be served otherwise.
 - 5. In the case of a claimant who is not otherwise ineligible pursuant to subsection 4 of this section, who is incarcerated as a result of a conviction of a crime not related to the incident upon which the claim is based at the time of application, or at any time following the filing of the application:
 - (1) The [division] **department** shall suspend all proceedings and payments until such time as the claimant is released from incarceration;
 - (2) The [division] **department** shall notify the applicant at the time the proceedings are suspended of the right to reactivate the claim within six months of release from incarceration. The notice shall be deemed sufficient if mailed to the applicant at the applicant's last known address:
 - (3) The claimant shall file an application to request that the case be reactivated not later than six months after the date the claimant is released from incarceration. Failure to file such request within the six-month period shall serve as a bar to any recovery.
 - 6. Victims of crime who are not residents of the state of Missouri may be compensated only when federal funds are available for that purpose. Compensation for nonresident victims shall terminate when federal funds for that purpose are no longer available.
- 45 7. A Missouri resident who suffers personal physical injury or, in the case of death, a 46 dependent of the victim or any member of the family who legally assumes the obligation, or who

- pays the medical or burial expenses incurred as a direct result thereof, in another state, possession or territory of the United States may make application for compensation in Missouri if:
- 50 (1) The victim of the crime would be compensated if the crime had occurred in the state 51 of Missouri;
- 52 (2) The place that the crime occurred is a state, possession or territory of the United States, or location outside of the United States that is covered and defined in 18 U.S.C. section 54 2331, that does not have a crime victims' compensation program for which the victim is eligible and which provides at least the same compensation that the victim would have received if he had been injured in Missouri.
 - 595.025. 1. A claim for compensation may be filed by a person eligible for compensation or, if the person is an incapacitated or disabled person, or a minor, by the person's spouse, parent, conservator, or guardian.
 - 2. A claim shall be filed not later than two years after the occurrence of the crime or the discovery of the crime upon which it is based.
 - 3. Each claim shall be filed in person or by mail. The [division of workers' compensation] **department of public safety** shall investigate such claim, prior to the opening of formal proceedings. The claimant shall be notified of the date and time of any hearing on such claim. In determining the amount of compensation for which a claimant is eligible, the [division] **department** shall consider the facts stated on the application filed pursuant to section 595.015, and:
 - (1) Need not consider whether or not the alleged assailant has been apprehended or brought to trial or the result of any criminal proceedings against that person; however, if any person is convicted of the crime which is the basis for an application for compensation, proof of the conviction shall be conclusive evidence that the crime was committed;
- 16 (2) Shall determine the amount of the loss to the claimant, or the victim's survivors or dependents;
- 18 (3) Shall determine the degree or extent to which the victim's acts or conduct provoked, 19 incited, or contributed to the injuries or death of the victim.
- 4. The claimant may present evidence and testimony on his own behalf or may retain counsel. The [division of workers' compensation] **department of public safety** may, as part of any award entered under sections 595.010 to 595.075, determine and allow reasonable attorney's fees, which shall not exceed fifteen percent of the amount awarded as compensation under sections 595.010 to 595.075, which fee shall be paid out of, but not in addition to, the amount of compensation, to the attorney representing the claimant. No attorney for the claimant shall ask for, contract for or receive any larger sum than the amount so allowed.

- 5. The person filing a claim shall, prior to any hearing thereon, submit reports, if available, from all hospitals, physicians or surgeons who treated or examined the victim for the injury for which compensation is sought. If, in the opinion of the [division of workers' compensation] **department of public safety**, an examination of the injured victim and a report thereon, or a report on the cause of death of the victim, would be of material aid, the [division of workers' compensation] **department of public safety** may appoint a duly qualified, impartial physician to make such examination and report.
 - 6. Each and every payment shall be exempt from attachment, garnishment or any other remedy available to creditors for the collection of a debt.
 - 7. Payments of compensation shall not be made directly to any person legally incompetent to receive them but shall be made to the parent, guardian or conservator for the benefit of such minor, disabled or incapacitated person.
 - 595.027. 1. Upon request by the [division] **department** for verification of injuries of victims, medical providers shall submit the information requested by the [division] **department** within twenty working days of the request at no cost to the fund.
 - 2. For purposes of this section, "medical providers" means physicians, dentists, clinical psychologists, optometrists, podiatrists, registered nurses, physician's assistants, chiropractors, physical therapists, hospitals, ambulatory surgical centers, and nursing homes.
 - 3. Failure to submit the information as required by this section shall be an infraction.
 - 595.030. 1. No compensation shall be paid unless the claimant has incurred an out-of-pocket loss of at least fifty dollars or has lost two continuous weeks of earnings or support from gainful employment. "Out-of-pocket loss" shall mean unreimbursed or unreimbursable expenses or indebtedness reasonably incurred for medical care or other services, including psychiatric, psychological or counseling expenses, necessary as a result of the crime upon which the claim is based, except that the amount paid for psychiatric, psychological or counseling expenses per eligible claim shall not exceed two thousand five hundred dollars.
 - 2. No compensation shall be paid unless the [division of workers' compensation] department of public safety finds that a crime was committed, that such crime directly resulted in personal physical injury to, or the death of, the victim, and that police records show that such crime was promptly reported to the proper authorities. In no case may compensation be paid if the police records show that such report was made more than forty-eight hours after the occurrence of such crime, unless the [division of workers' compensation] department of public safety finds that the report to the police was delayed for good cause. If the victim is under eighteen years of age such report may be made by the victim's parent, guardian or custodian; by a physician, a nurse, or hospital emergency room personnel; by the division of family services personnel; or by any other member of the victim's family.

- 3. No compensation shall be paid for medical care if the service provider is not a medical provider as that term is defined in section 595.027, and the individual providing the medical care is not licensed by the state of Missouri or the state in which the medical care is provided.
 - 4. No compensation shall be paid for psychiatric treatment or other counseling services, including psychotherapy, unless the service provider is a:
 - (1) Physician licensed pursuant to chapter 334, RSMo, or licensed to practice medicine in the state in which the service is provided;
 - (2) Psychologist licensed pursuant to chapter 337, RSMo, or licensed to practice psychology in the state in which the service is provided;
 - (3) Clinical social worker licensed pursuant to chapter 337, RSMo; or
 - (4) Professional counselor licensed pursuant to chapter 337, RSMo.
 - 5. Any compensation paid pursuant to sections 595.010 to 595.075 for death or personal injury shall be in an amount not exceeding out-of-pocket loss, together with loss of earnings or support from gainful employment, not to exceed two hundred dollars per week, resulting from such injury or death. In the event of death of the victim, an award may be made for reasonable and necessary expenses actually incurred for preparation and burial not to exceed five thousand dollars.
 - 6. Any compensation for loss of earnings or support from gainful employment shall be in an amount equal to the actual loss sustained not to exceed two hundred dollars per week; provided, however, that no award pursuant to sections 595.010 to 595.075 shall exceed twenty-five thousand dollars. If two or more persons are entitled to compensation as a result of the death of a person which is the direct result of a crime or in the case of a sexual assault, the compensation shall be apportioned by the [division of workers' compensation] **department of public safety** among the claimants in proportion to their loss.
- 7. The method and timing of the payment of any compensation pursuant to sections 595.010 to 595.075 shall be determined by the [division] **department**.
- 595.035. 1. For the purpose of determining the amount of compensation payable pursuant to sections 595.010 to 595.075, the [division of workers' compensation] **department**of public safety shall, insofar as practicable, formulate standards for the uniform application of sections 595.010 to 595.075, taking into consideration the provisions of sections 595.010 to 595.075, the rates and amounts of compensation payable for injuries and death pursuant to other laws of this state and of the United States, excluding pain and suffering, and the availability of funds appropriated for the purpose of sections 595.010 to 595.075. All decisions of the [division of workers' compensation] department of public safety on claims heard pursuant to sections 595.010 to 595.075 shall be in writing, setting forth the name of the claimant, the amount of compensation and the reasons for the decision. The [division of workers' compensation]

- department of public safety shall immediately notify the claimant in writing of the decision and shall forward to the state treasurer a certified copy of the decision and a warrant for the amount of the claim. The state treasurer, upon certification by the commissioner of administration, shall, if there are sufficient funds in the crime victims' compensation fund, pay to or on behalf of the claimant the amount determined by the [division] department.
 - 2. The crime victims' compensation fund is not a state health program and is not intended to be used as a primary payor to other health care assistance programs, but is a public, quasi-charitable fund whose fundamental purpose is to assist victims of violent crimes through a period of financial hardship, as a payor of last resort. Accordingly, any compensation paid pursuant to sections 595.010 to 595.075 shall be reduced by the amount of any payments, benefits or awards received or to be received as a result of the injury or death:
 - (1) From or on behalf of the offender;
 - (2) Under private or public insurance programs, including champus, Medicare, Medicaid and other state or federal programs, but not including any life insurance proceeds; or
 - (3) From any other public or private funds, including an award payable pursuant to the workers' compensation laws of this state.
 - 3. In determining the amount of compensation payable, the [division of workers' compensation] **department of public safety** shall determine whether, because of the victim's consent, provocation, incitement or negligence, the victim contributed to the infliction of the victim's injury or death, and shall reduce the amount of the compensation or deny the claim altogether, in accordance with such determination; provided, however, that the [division of workers' compensation] **department of public safety** may disregard the responsibility of the victim for his or her own injury where such responsibility was attributable to efforts by the victim to aid a victim, or to prevent a crime or an attempted crime from occurring in his or her presence, or to apprehend a person who had committed a crime in his or her presence or had in fact committed a felony.
 - 4. In determining the amount of compensation payable pursuant to sections 595.010 to 595.070, monthly Social Security disability or retirement benefits received by the victim shall not be considered by the [division] **department** as a factor for reduction of benefits.
 - 5. The [division] **department** shall not be liable for payment of compensation for any out-of-pocket expenses incurred more than three years following the date of the occurrence of the crime upon which the claim is based.
- 595.036. [1.] Any [of the parties] **party** to a decision of the [division of workers' compensation] **department of public safety** on a claim heard under the provisions of sections 595.010 to 595.070 may, within thirty days following the date of notification or mailing of such decision, file a petition with the [labor and industrial relations commission] **administrative**

- 5 hearing commission under the provisions of section 621.060, RSMo, to have such decision
- 6 reviewed by the commission. [The commission may allow or deny a petition for review. If a
- 7 petition is allowed, the commission may affirm, reverse, or set aside the decision of the division
- 8 of workers' compensation on the basis of the evidence previously submitted in such case or may
- 9 take additional evidence or may remand the matter to the division of workers' compensation with
- 10 directions. The commission shall promptly notify the parties of its decision and the reasons
- 11 therefor.

- 2. Any petition for review filed pursuant to subsection 1 of this section shall be deemed to be filed as of the date endorsed by the United States Postal Service on the envelope or container in which such petition is received.
- 3. Any party who is aggrieved by a final decision of the labor and industrial relations commission pursuant to the provisions of subsections 1 and 2 of this section may seek judicial review thereof, as provided in sections 536.100 to 536.140, RSMo.]
- 595.037. 1. All information submitted to the [division] **department** and any hearing of the [division] **department** on a claim filed pursuant to sections 595.010 to 595.070 shall be open to the public except for the following claims which shall be deemed closed and confidential:
- 4 (1) A claim in which the alleged assailant has not been brought to trial and disclosure 5 of the information or a public hearing would adversely affect either the apprehension, or the trial, 6 of the alleged assailant;
 - (2) A claim in which the offense allegedly perpetrated against the victim is rape, sodomy or sexual abuse and it is determined by the [division] **department** to be in the best interest of the victim or of the victim's dependents that the information be kept confidential or that the public be excluded from the hearing;
 - (3) A claim in which the victim or alleged assailant is a minor; or
 - (4) A claim in which any record or report obtained by the [division] **department**, the confidentiality of which is protected by any other law, shall remain confidential subject to such law.
- 2. The [division] **department**, by separate order, may close any record, report or hearing if it determines that the interest of justice would be frustrated rather than furthered if such record or report was disclosed or if the hearing was open to the public.
- 595.040. 1. Acceptance of any compensation under sections 595.010 to 595.075 shall subrogate this state, to the extent of such compensation paid, to any right or right of action accruing to the claimant or to the victim to recover payments on account of losses resulting from the crime with respect to which the compensation has been paid. The attorney general may enforce the subrogation, and he shall bring suit to recover from any person to whom compensation is paid, to the extent of the compensation actually paid under sections 595.010 to

- 595.075, any amount received by the claimant from any source exceeding the actual loss to the 8 victim.
- 2. The [division] department shall have a lien on any compensation received by the 10 claimant, in addition to compensation received under provisions of sections 595.010 to 595.075, for injuries or death resulting from the incident upon which the claim is based. The claimant shall retain, as trustee for the [division] department, so much of the recovered funds as necessary to reimburse the Missouri crime victims' compensation fund to the extent that compensation was awarded to the claimant from that fund.
 - 3. If a claimant initiates any legal proceeding to recover restitution or damages related to the crime upon which the claim is based, or if the claimant enters into negotiations to receive any proceeds in settlement of a claim for restitution or damages related to the crime, the claimant shall give the [division] **department** written notice within fifteen days of the filing of the action or entering into negotiations. The [division] department may intervene in the proceeding of a complainant to recover the compensation awarded. If a claimant fails to give such written notice to the [division] department within the stated time period, or prior to any attempt by claimant to reach a negotiated settlement of claims for recovery of damages related to the crime upon which the claim is based, the [division's] department's right of subrogation to receive or recover funds from claimant, to the extent that compensation was awarded by the [division] department, shall not be reduced in any amount or percentage by the costs incurred by claimant attributable to such legal proceedings or settlement, including, but not limited to, attorney's fees, investigative cost or cost of court. If such notice is given, attorney fees may be awarded in an amount not to exceed fifteen percent of the amount subrogated to the [division] department.
 - 4. Whenever compensation is awarded to a claimant who is entitled to restitution from a criminal defendant, the [division] **department** may initiate restitution hearings in such criminal proceedings or intervene in the same. The [division] department shall be entitled to receive restitution in such proceedings to the extent compensation was awarded; provided, however, the [division] department shall be exempt from the payment of any fees or other charges for the recording of restitution orders in the offices of the judges of probate. The claimant shall notify this [division] department when restitution is ordered. Failure to notify the [division] **department** will result in possible forfeiture of any amount already received from the [division] department.
 - 5. Whenever the [division] **department** shall deem it necessary to protect, maintain or enforce the [division's] department's right to subrogation or to exercise any of its powers or to carry out any of its duties or responsibilities, the attorney general may initiate legal proceedings or intervene in legal proceedings as the [division's] department's legal representative.

595.045. 1. There is established in the state treasury the "Crime Victims' Compensation Fund". A surcharge of seven dollars and fifty cents shall be assessed as costs in each court proceeding filed in any court in the state in all criminal cases including violations of any county ordinance or any violation of criminal or traffic laws of the state, including an infraction and violation of a municipal ordinance; except that no such fee shall be collected in any proceeding in any court when the proceeding or the defendant has been dismissed by the court or when costs are to be paid by the state, county, or municipality. A surcharge of seven dollars and fifty cents shall be assessed as costs in a juvenile court proceeding in which a child is found by the court to come within the applicable provisions of subdivision (3) of subsection 1 of section 211.031, RSMo.

- 2. Notwithstanding any other provision of law to the contrary, the moneys collected by clerks of the courts pursuant to the provisions of subsection 1 of this section shall be collected and disbursed in accordance with sections 488.010 to 488.020, RSMo, and shall be payable to the director of the department of revenue.
- 3. The director of revenue shall deposit annually the amount of two hundred fifty thousand dollars to the state forensic laboratory account administered by the department of public safety to provide financial assistance to defray expenses of crime laboratories if such analytical laboratories are registered with the federal Drug Enforcement Agency or the Missouri department of health and senior services. Subject to appropriations made therefor, such funds shall be distributed by the department of public safety to the crime laboratories serving the courts of this state making analysis of a controlled substance or analysis of blood, breath or urine in relation to a court proceeding.
- 4. The remaining funds collected under subsection 1 of this section shall be denoted to the payment of an annual appropriation for the administrative and operational costs of the office for victims of crime and, if a statewide automated crime victim notification system is established pursuant to section 650.310, RSMo, to the monthly payment of expenditures actually incurred in the operation of such system. Additional remaining funds shall be subject to the following provisions:
- (1) On the first of every month, the director of revenue or the director's designee shall determine the balance of the funds in the crime victims' compensation fund available to satisfy the amount of compensation payable pursuant to sections 595.010 to 595.075, excluding sections 595.050 and 595.055;
- (2) Beginning on September 1, 2004, and on the first of each month, the director of revenue or the director's designee shall deposit fifty percent of the balance of funds available to the credit of the crime victims' compensation fund and fifty percent to the services to victims' fund established in section 595.100.

- 5. The director of revenue or such director's designee shall at least monthly report the moneys paid pursuant to this section into the crime victims' compensation fund and the services to victims fund to the [division of workers' compensation and the] department of public safety[, respectively].
 - 6. The moneys collected by clerks of municipal courts pursuant to subsection 1 of this section shall be collected and disbursed as provided by sections 488.010 to 488.020, RSMo. Five percent of such moneys shall be payable to the city treasury of the city from which such funds were collected. The remaining ninety-five percent of such moneys shall be payable to the director of revenue. The funds received by the director of revenue pursuant to this subsection shall be distributed as follows:
 - (1) On the first of every month, the director of revenue or the director's designee shall determine the balance of the funds in the crime victims' compensation fund available to satisfy the amount of compensation payable pursuant to sections 595.010 to 595.075, excluding sections 595.050 and 595.055;
 - (2) Beginning on September 1, 2004, and on the first of each month the director of revenue or the director's designee shall deposit fifty percent of the balance of funds available to the credit of the crime victims' compensation fund and fifty percent to the services to victims' fund established in section 595.100.
 - 7. These funds shall be subject to a biennial audit by the Missouri state auditor. Such audit shall include all records associated with crime victims' compensation funds collected, held or disbursed by any state agency.
 - 8. In addition to the moneys collected pursuant to subsection 1 of this section, the court shall enter a judgment in favor of the state of Missouri, payable to the crime victims' compensation fund, of sixty-eight dollars upon a plea of guilty or a finding of guilt for a class A or B felony; forty-six dollars upon a plea of guilty or finding of guilt for a class C or D felony; and ten dollars upon a plea of guilty or a finding of guilt for any misdemeanor under Missouri law except for those in chapter 252, RSMo, relating to fish and game, chapter 302, RSMo, relating to drivers' and commercial drivers' license, chapter 303, RSMo, relating to motor vehicle financial responsibility, chapter 304, RSMo, relating to traffic regulations, chapter 306, RSMo, relating to watercraft regulation and licensing, and chapter 307, RSMo, relating to vehicle equipment regulations. Any clerk of the court receiving moneys pursuant to such judgments shall collect and disburse such crime victims' compensation judgments in the manner provided by sections 488.010 to 488.020, RSMo. Such funds shall be payable to the state treasury and deposited to the credit of the crime victims' compensation fund.
 - 9. The clerk of the court processing such funds shall maintain records of all dispositions described in subsection 1 of this section and all dispositions where a judgment has been entered

These records shall be subject to audit by the state auditor. The clerk of each court transmitting such funds shall report separately the amount of dollars collected on judgments entered for alcohol-related traffic offenses from other crime victims' compensation collections or services to victims collections.
 - 10. The department of revenue shall maintain records of funds transmitted to the crime victims' compensation fund by each reporting court and collections pursuant to subsection 16 of this section and shall maintain separate records of collection for alcohol-related offenses.
